Your Guide to Performance

CPP Asia Pacific is a leading provider of psychological instruments, product solutions and professional services; through which we enable our customers and partners to transform individual, team and organisational performance.

Operating for over 20 years, CPP Asia Pacific now has offices throughout the Asia Pacific region, including: Australia, New Zealand, Philippines, Singapore, People's Republic of China, Hong Kong, India and Thailand.

As a subsidiary of CPP, Inc., CPP Asia Pacific is proud to be the certification provider and distributor of the world renowned Myers-Briggs Type Indicator® (MBTI®) instrument, in addition to representing other leading psychological assessment and development instruments.

With our expert support and guidance, representatives of businesses of all sizes, government agencies, educators and training and development consultants in more than 100 countries administer our instruments to millions of individuals each year.

Let's make a difference together. Talk to us to see how.

Myers-Briggs Type Indicator, Myers-Briggs, MBTI, Step I, Step II, Step III, Introduction to Type, and the MBTI logo are trademarks or registered trademarks of the Myers & Briggs Foundation, Inc., in the United States and other countries. The CPP logo is a registered trademark of CPP, Inc.
