# Be better.

## Refresh and update your skills in applying type theory from the comfort of your office

The Myers-Briggs Type Indicator® (MBTI®) Master Class Series workshops are designed for certified practitioners who wish to deepen their understanding of type theory and its practical application.

- Are you a MBTI® certified practitioner who obtained their qualification years ago and are looking for an update on the latest version of the instrument and practitioner resources?
- Are you a recently certified MBTI® practitioner who is looking for another opportunity to practice your new MBTI® knowledge and skills?
- Are you looking for additional tips for delivering introductory sessions with the MBTI® instrument to groups and individuals?

This live webinar offers MBTI® certified practitioners an opportunity to update and refresh their knowledge and skills for using the MBTI® instrument, particularly in organisational settings, from any location. During the webinar, you will experience proven approaches and techniques which will help you to guide clients through a process to achieve their best-fit type and learn best practice approaches for administering and delivering MBTI® Step I results for individual and group feedback sessions.
